Frequently asked questions

Can I see any dentist?

With our policy you can see a dentist of your choice, anywhere in the world.

What does my plan cover me for?

To find out what you're covered for, please refer to your table of cover (see page 6).

When can I start claiming?

There's no waiting period to claim, except for the mouth cancer benefit which cannot be claimed in the first 90 days of your policy. Implant upgrade cover, if you have it, cannot be claimed in the first 28 days.

What information do I need to send with my claim?

In order for us to assess your claim promptly and correctly we require a fully itemised receipt, which confirms you have paid for the treatment you are claiming for and the treatment has been carried out. If we do not receive this information it could lead to a delay in us processing your claim as we may need to contact you or your dental practice for more information.

How long will it take for my claim to be reimbursed?

If your claim contains all of the information we need; we'll usually be able to fully assess your claim within five working days. If you do not supply all of the information we need, your claim may take longer as we may need to contact you or your dental practice. Please note, if your claim is marked as paid online your direct credit payment leaves our account instantly but can take an additional 3-5 working days to reach your account.

How can I monitor how much of my cover I have used?

You can view your available benefits by logging into your online services at www.denplan.co.uk/employeeonline. If you do not have access to your online account you can contact us on 01962 828007.

Is cosmetic treatment covered?

No, your policy only covers you for clinically necessary dental treatment. Examples of cosmetic treatment include tooth whitening, orthodontic treatment where your orthodontic grading on the IOTN Scale is 1-3 or placement of veneers to improve the appearance of your teeth.

If this is the case **we** may ask a **dentist** (or other medical specialist) to advise **us** about the medical facts relating to a claim, or to examine **you** in connection with the claim. If **we** do this, **we** will pay the costs involved. In choosing a relevant **dentist** or specialist **we** will take into account **your** personal circumstances. If **you** do not co-operate with any **dentist** or specialist chosen by **us**, **we** will not pay **your** claim.

If **we** pay any costs for dental treatment which are not covered by the terms of this **policy**, the amount paid will count towards the annual maximum benefit available under the **policy** for that person. It does not mean that **we** will be liable to pay costs for that dental treatment in the future. If **we** pay a claim which is more than **you** are entitled to under the **policy**, **we** can recover the overpayment. **We** will ask **you** to repay the overpayment or deduct that amount from any other claim that **you** make.

2. premiums are paid to **us** as required by the **policy**; and the **partner** must have the same level of cover as the **policyholder**.

C. Cover for **children** included on the **policy**

1. **We** will cover **yours** and **your partner's children**. **We** may ask to see proof that a **child** is eligible to join the **policy** (for example, a birth certificate or adoption certificate).
2. At the first **renewal date** after the **child's** 24th birthday, **children** will be changed to adult cover which is chargeable at the full adult premium.
3. **You** and **your partner's children** must have the same level of cover as the **policyholder**.
4. **Children** can only be covered under one policy with **us**. **We** will not add a **child** to this **policy** if that **child** is already covered under another policy with **us**.

6. Changing cover

Changes to the level of cover can be made at the **renewal date**. Once **you** have changed **your** level of cover **you** must stay on that level until the next **renewal date** before **you** can change **your** level again.

A. How long cover lasts

Your cover starts from the date that **we** and the **policyholder** agree to include **you** on the **policy** and continues until the expiry of the **policy**, or until either **we** or the **policyholder** cancel it.

B. Insurance Premium Tax (IPT)

Where it applies, IPT is included in the premium. If the Government changes IPT, **we** may have to amend the premium from the date that the IPT change is implemented. **We** will notify the **policyholder** of this change separately.

7. Cancellation

When we can cancel the policy

1. The circumstances when **we** can cancel the **policy** are:

- if **we** have not received the premium for two consecutive months. **We** will always attempt to contact the **policyholder** to tell them that **we** have not received the payment. **We** do this before **we** cancel the **policy** in order to give the **policyholder** the opportunity to pay the unpaid premium and keep the cover active
- if the **policyholder** dies. Their **partner** and **children** will be able to continue cover with **us**, although the premiums, benefits and exclusions may not be the same as this **policy**
- if the **policyholder** has:
 - deliberately misled **us** in any way, for example given **us** false information, or not given **us** information that **we** have asked for about a person on the **policy** or a claim on the **policy**. **We** can backdate the cancellation in these circumstances
 - not acted honestly in their dealings with **us**
 - if **we** make a commercial decision to no longer offer this product. If this happens, **we** will give the **policyholder** at least three months' written notice of **our** decision and offer an alternative product, if **we** have one, in order for cover to continue.

When we can cancel a member from the policy

2. The circumstances when **we** will cancel a **member** from the **policy** are:

- if the **policyholder** asks **us** to
- if a **partner** no longer lives with the **policyholder**
- when a **child** reaches the age of 24 at the next **renewal date**, where the **child** is not moving onto adult cover
- if **you** deliberately mislead **us** in any way, for example give **us** false information, or do not give **us** information that **we** have asked for about a person on the **policy** or a claim on the **policy**. **We** can backdate the cancellation in these circumstances
- if **you** have not acted honestly in any of **your** dealings with **us**
- if **you** are abusive to **our** staff. If **you** continue to be abusive, **we** may cancel all policies that **you** hold with **us**
- **you** no longer live in the **UK** permanently

When the policyholder can cancel the policy

3. The **policyholder** can cancel the **policy** for any reason during the 'cooling off' period. This is up to 14 days from the day they receive their welcome or renewal letter. Provided that **we** have not paid any claims, **we** will refund in full any premium that **we** have received. If **we** have paid claims, **we** will deduct the cost of those claims from any refund **we** give. If the cost of the claims is greater than the premium, **we** do not have to refund the premium.

4. After the 'cooling off' period the **policyholder** can cancel the **policy** by giving **us** one month's notice. **We** will not backdate the cancellation to before the date that the **policyholder** tells **us** and **we** will not refund any premiums that **we** have received. To cancel the **policy**, please call **us** on 01962 828 007 or by emailing: corporatedental@simplyhealth.co.uk

What happens when cover is cancelled?

5. If **we** or the **policyholder** cancels the **policy**, cover will end for all **members** on the **policy**. The **policyholder** should tell all **members** that the **policy** has been cancelled. Cancellation of the **policy**, or **your** membership of the **policy**, means that **we** will not pay for any treatment or services that **you** receive after the cancellation date, with the exception of dental **injury** treatment when the incident was registered with **us** prior to cancellation taking place.

8. Fraud

If **you** (or anyone acting on **your** behalf) make a claim under this **policy** or obtain cover knowing it to be false or fraudulent **we**:

- can refuse to make payments for that claim, and may cancel **your** cover with immediate effect.

If **we** have already paid claims **we** can seek to recover that money from **you**. Where **we** have paid a claim which **we** later find is fraudulent (whether in whole or in part) **we**:

- will be entitled to recover those sums from **you** and any claims **we** may have paid since (whether fraudulent or not), and/or
- may take the appropriate legal action against **you**.
- **We** reserve the right to contact the **policyholder** to inform them of any fraudulent activity.

9. General

A. All information and communications to **you** relating to this **policy** will be in English.

B. **You** must provide an up to date mailing address.

C. If **we** decide not to enforce a term of this **policy** on one or more occasions, this does not mean that the term no longer applies. **We** may rely on that term at a later occasion if **we** decide to do so, unless **we** have told **you** in writing that the term no longer applies.

D. No term of the **policy** or any part of it is enforceable under the Contracts (Rights of Third Parties) Act 1999 ('the Act') by a person who is not party to it. For the purposes of the Act a **partner** and any **children** are not party to the **policy**.

E. This **policy** is governed by the laws of England and Wales. Any disputes arising in connection with the **policy** which are not resolved through **our** complaints process can only be dealt with by the courts of England and Wales unless **you** and **we** agree to a different method to resolve the dispute.

F. If **we** change the **policy**, **we** will give the **policyholder** 10 days notice. If for whatever reason **you** do not receive details of the changes, those changes will still take effect.

G. If **we** change the terms of the **policy**, **we** will pay claims according to the terms that applied at the time **you** received the treatment or service that **you** are claiming for.

H. If **you** pay **your** premium directly to **us**, **we** will write to **you** before the end of any **policy** term to let **you** know that **we** wish to renew **your** **policy** and on what terms. If **we** do not hear from **you** in response, then **we** may at **our** option assume that **you** wish to renew **your** current **policy** on those new terms. Where **you** have opted to pay the premium by Direct Debit, **we** may continue to collect premiums by Direct Debit for the new **policy** term. Please note that if **we** do not receive **your** premium, this may affect **your** **policy** cover. **We** reserve the right to refuse renewal of the **policy**.
